

Volcano Cymbidium Acres Road Maintenance Corporation
(VCARMC)

Request to Maintain Roadside Area

It is requested that the VCARMC not utilize any herbicide in the area described below.

(I)(We) agree to maintain this Volcano Cymbidium Acres roadside area adjacent to (my)(our) property, which includes removing grass and weeds growing into the road within this area, in order to permit the VCARMC to skip the use of herbicide to maintain it. To identify this area for the VCARMC road maintenance workers, (I)(We) will place a sign on the left and right boundaries of this area with the words "NO SPRAYING". The signs will be large and visible enough to be seen by the VCARMC workers to prevent spraying this area.

(I)(We) will notify the VCARMC (P.O. Box 574, Volcano, HI 96785) of any problems or special conditions regarding maintenance that may arise.

The area concerned is:
